The pandemic has brought something unheard of like social and physical distancing which disrupted many regular aspects of life including sports.

The closure of education institutions around the world due to Covid-19 has impacted the sports - mostly among youngs. It also resulted in closure of gyms, stadiums, parks and playgrounds. NCC ACTIVITIES IN A NUTSHELL

(From 31 May to 29 Sept, 2022)

World No-Tobacco Day is observed on 31st May every year to highlight the risk associated with the use of tobacco. A rally to create awareness of the hazards of tobacco use was organized by NCC cadets on this day.

As a part of Puneet Sagar Abhiyan a cleanliness drive on riverside of Dhansari near Purana-bazar was conducted by the NCC Cadets on 4th of April. No. of waste collected-10kgs.

World Bicycle Day is marked on 3rd June every year to recognize bicycling as a way to get a sustainable form of travelling that also ensures one's physical well-being. A Cycle rally to spread awareness on health and environment was taken out by NCC Cadets.

As Observed across the Globe, 'World Environment Day' was celebrated by the NCC Cadets to raise awareness on the importance of Conserving, Preserving and protecting the environment. Plantation of saplings, cleanliness drive, painting competitions was the main highlights.

The World Day against Child Labour was held on 12th June in order to raise awareness against and to initiate prompt action to stop Child Labour. Our cadets took part in the activity by making posters and videos and circulated it in social media.

As part of NCC training, our cadets took part in the CATC Camp (Combined Annual Training Camp) held at Kohima (Jakhama). The camp was held for 10 days from 25 June to 04 July. Twenty four (24) cadets attended the Camp and made their presence felt by winning prizes in various competitions. Among all the cadets from different districts, Cadet Manisha Kumari Giri got the first position in firing competition.

The Independence Day Camp is one of the most prominent programs of NCC designed for the overall development of the cadets. I take immense pride to share with you that, JUO Thuithaina from B.Com 5th Semester got an opportunity to represent our college in the EBSB (Ek Bharat Shresth Bharat) IDC (Independence Day Camp) Delhi which is held every year on 15th of August. Five of our cadets went through the selection process (RDC).

Our Cadets participated in the flag rally organized under 'Har Ghar Tiranga' Campaign on 12 August

as well. Azadi Ki Amrit Mahotsav on completion of 75 years of Independence was celebrated in our college. Ex Co. Abdul Hameed Khan of 1 NG Girls Battalion was the guest of honour.

The Puneet Sagar Abhiyan was organized on Sept 29 with the objective of raising public awareness. A Street Play was performed on the theme "Waste Management and Recycling". The play aimed at addressing issues of public health, waste utilization and responsibilities of an individual in society.

We have enrolled 20 more cadets for the year (2022-2023). Due to limited availability of seats it was quite challenging for us this year as a huge number of students turned up for the selection process. I am glad to say that we have finally selected the most deserving cadets. I hope they will shine in the days to come and make themselves, their parents and our college proud.

The NCC aims at developing character, comradeship, discipline; a secular outlook, the spirit of adventure and ideals of selfless service amongst young citizens. It also aims at creating a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation regardless of which career they choose. We are trying to put our best foot forward to contribute to this noble effort.
